All of the above intervention/target groups are identified after we have scrutinised the relevant pupil data. We target a range of issues linked to i) underachievement ii) provision for the more able. We also have used some of the funding to help us run our after-school Library Club - KS1 and KS2 -1 evening each per week.

#### **Brief overview of the Impact of Pupil Premium**

As you can see, some of these activities/experiences are measureable so that we can readily evaluate them. Many other initiatives are equally important (in some ways even more important) but they cannot be measured so quickly eg impact of our Breakfast Club.

We all obviously continue to monitor the assessments of all of the pupils all of the time. In addition to the three comparison charts below, it is very interesting to record the fact that our ongoing termly monitoring reviews for every class show that in some classes the Pupil Premium E6 pupils out-perform the non E6 Pupil Premium Pupils whilst in other classes the non E-6 Pupil Premium pupils out-perform the E6 Pupil Premium pupils- hence in our school the following is very true:-

KS1+ KS2 Intervention -You will be aware that these benefit not only the child/children working with the relevant adult but also helps the pupils who are left 'behind' with the Teacher/Teaching Assistant. We continue to work very hard indeed to 'Close the gap' between the E6 PP pupils +the non-E6 PP pupils.
