

**Art - Drawing in Wire
Years 5-8**

**Saturday November 4th 2017
West Kirby Grammar School,
Graham Road,
West Kirby,
Wirral,
CH48 5DP**

This day is inspired by the work of Alexander Calder, known as the originator of moving sculpture and wire figures. His work is often described as drawings made in space. Students will explore the use of continuous line within their drawings and then develop their ideas using wire, learning how to manipulate wire to bring their drawings to life.

Time: 9.45am registration for 10am start - 3.30pm.

At 3.15pm, parents will be invited to join their children in order to see what they have achieved during the day.

Children need: Packed lunch and drinks

Cost: £20

Cheques should be made payable to: **North West Gifted and Talented**

Number of places available: 25 (Please note applications will be considered on a first come first served basis so applying does *not* guarantee a place)
