

# Greenlands Year 1

## We love to learn

Literacy - Traditional Rhymes and Stories from another culture.

Maths - Number and place value, time, fractions, addition and subtraction, multiplication.

Science - Animals

Topic - Toys

Computing - Finding images using the web.

RE - Easter

DT - Moving Pictures

Year 1 had a lovely time on our winter walk. We saw a robin, a snowman and lots of deciduous and evergreen trees.

## Reminders

Please remember to bring your reading book to school every day.

Practise your spellings each day. You can do this in whatever way you like. You could even practise them on your way to school.

## Key Dates

- World Book Day - Thursday 1st March
- Year 1 Parent Child Meetings - Thursday 15th March

Year 1 had a special visit from a high school Science teacher. We enjoyed investigating the strength of different materials. We built bridges and tested them to see how strong they were. It was lots of fun!
