Parentpay:

If you aren't already taking advantage of our cashless system, please pop into the office for a reminder of log in and passwords.

Punctuality:

The children have made a great start to the new year with punctuality. Please try to ensure this is maintained throughout the term as much as possible. It is difficult for your child when they enter a lesson late. Obviously, we understand on the occasions traffic is at a standstill.

Sporting events:

There are several sporting events taking place this term. We are hosting an Olympic athlete towards the end of the half term and are looking to host an exciting sponsorship event. Further details to follow.
