

Greenlands Year 2

Horrid Henry

The children enjoyed looking for clues to find out who our new stories are about. We will be reading lots of stories about Horrid Henry. We acted out the story of Horrid Henry's Sports Day, which was great fun. We are looking forward to writing our own stories about Horrid Henry.

We love to learn

English - Stories by the same author, Posters/Adverts
Maths - Multiplication, division, fractions, time, data handling, money
Geography - Coll, Scotland
Science - Plants
RE - Religious rituals
Computing - Digital Literacy

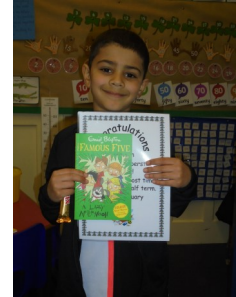

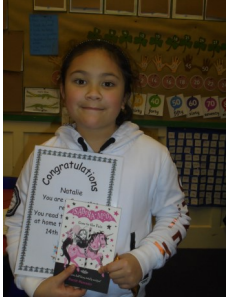

Key Dates

World Book Day - Thursday 5th March
Parent Child Interviews - Wednesday 11th March
Egg decorating and rolling - Tuesday 31st March
School Disco - Wednesday 1st April
Church visit - Friday 3rd April
End of term - Friday 3rd April 1:30pm

Reading Winners

Congratulations to Izayah and Natalie. They read the most times last half term. Congratulation to the others who were runners up. Who will win this term? Keep on reading!

Time Tables

It is important that the children have instant recall of the 2x, 5x, 10x tables before they start in Year 3 - not just by rote. Find time to practise them regularly - in the bath, on the way to or from school! Don't forget to muddle the questions up.

Ways to help

- Hear your child read every night and sign their record book
- Check book bags for letters
- Practise their spellings every night
- Help you child complete their homework
- Read to your child
- Get your child to school every day and on time
