

Diary dates

Thursday 5th March - World Book Day

Friday 13th March - Finger Maths Workshop at 9:00am

Wednesday 18th March - Visit to Longridge

Friday 20th March - Mother's Day Assembly at 9:00am

Thursday 26th March - Nursery Bingo at 6:30pm

Greenlands Reception

Target Setting Day

Thank you for coming to talk about your child's progress last term. Don't forget to work on the targets set. Your help and support is very much appreciated.

Right Start Pedestrian Training

The children are taught how to keep safe as they are playing and walking in the local area. They learn where and how to cross the road safely. After each session the children bring home a handout that explains what they have been learning about that day.

Mother's Day

Our Mother's Day assembly takes place on Friday 20th March at 9 o'clock. Please come along if you can. It is always very special! Come and find out why they love you!

Learning is fun!

Our topic this term is space. On Wednesday a spaceship crashed on our school field! Luckily the astronauts were rescued and are now back on the moon - They sent a video to show us!

We are all very excited to be going on another trip out of school. This time we are going on the bus to Longridge to buy something special for our Mother's Day assembly.

The children are enjoying using non-fiction books to find out about space. They will be using the information to write their own leaflet. We will be writing stories too.

In maths we will be exploring number bonds, adding and subtracting and continuing to count, sequence and recognise numbers to 20. We use our fingers a lot to help us!

To find out more about the Reception curriculum please look on the website.

Ways you can help!

Below are a list of phase 3 sounds that the children who are ready are now learning.

sh - shop, bush

th - thin, path

ai - rain

igh - night

oo - look

ar - car

ur - hurt

oi - coin

er - her, corner

ch - chip, rich

ng - ring

oa - boat

ee - feet

oo - zoo

or - for, fork

ow - cow

air - fair

ure - sure

The children are encouraged to apply their knowledge of the new sounds when reading and spelling words.
