

Good Morning Year 2

I hope you are enjoying learning

at home and are working hard for your grown up.

I hope you've noticed all the beautiful flowers that are flowering at the moment. It's really important that people and aliens from Planet Zog don't pick wild flowers but leave them for everyone to enjoy. You could write a poem called 'Don't pick the flowers!' Write about the different kinds of flowers, the colours, shapes, sizes and how the insects need them too. Remember to include lots of interesting adjectives in your poem.

Ask your grown up to write you some 2, 5 and 10 times table sums for you to work out. How quickly can you do them?

Ask your grownup to find <https://www.phonicsplay.co.uk/> online. You can use it free, while school is closed, to practise your phonics.
