

Hi Reception!

A whole week has gone by since we were last at school together.

Here is your next lot of work to do at home with your grown up.

Miss Wells. x

I have now put some reading books on active learn. You'll probably recognise some of them. There are some activities to do with them too.

I know some of you enjoyed practising to tell the time last week. There are some more resources to use on active learn. You could play time snap or pairs.

We need to do some writing this week. Look out of your bedroom window. What can you see? Write a list and draw a picture.

Remember that it is important to practise your phonics every day. Teach your grown up how to play, 'Put your nose on.....' or 'Steal' to practise recognising Phase 3 graphemes. You could organise a grapheme or word treasure hunt too.

I have put a list of Phase 2 and Phase 3 graphemes on the next page to remind you of what they are.
