

Hello Year 2

I hope you are all okay and enjoying this new way of learning.

Here are some more ideas for you to keep you having fun. As it's nearly Easter, I thought you could write a poem about Easter. Write the letters down the page that spell Easter and then each line of your poem must start with that letter. I've started you off!

Eggs are delicious!

Have fun thinking of ideas.

If you have a spare egg, ask your grown up to hard boil it and then decorate in any style you wish. Remember to be very gentle when you are creating as you don't want to break your egg!

Bug Club

Don't forget to keep reading. If you have read all your books at home, there are some for all of you at the right level on Bug club at Active Learn.

I'm glad to see some of you enjoying the activities on Active Learn. I will keep adding to it so keep checking and trying them out.

Have fun

Mrs Heafield x
