

Hi Reception!

I am sure you are all missing your friends and I am definitely missing all of you. So is Poppy the dog who has no one to practise her numbers with.

Be good and do some school work each day.

Miss Wells. X

The new book from the Lancashire English and Literacy team this week is Hattie Peck. You will find it on the tab, Home Learning - Book of the Week. I liked watching the chick hatch from the egg and singing along to the songs.

We love stories in our class, so I am sure you are enjoying the maths activities from White Rose Maths. Click on the link and you will find some fun maths activities linked to the stories, 'The night time pirates' and 'The Troll' (It's on YouTube). You need Summer Term Week Two for the activities.

New for this week are some daily maths tasks from the Lancashire Maths team. There is a tab on the Reception Class page, but you can also access it by clicking on the link below.

If you followed the recipe and made fruit salad last week, then I would like you to have a go at writing the recipe yourself. It is important to remember that instructions are numbered and each one begins on a new line.
