

Hi Year 2

I hope you have enjoyed creating new rainbow pictures and listening to the Roald Dahl poems.

Do you remember we did a map for Little Red riding Hood? Well, one of the poems this week is about Goldilocks. You could draw a map for Goldilocks, so she doesn't get lost on her way home through the woods from the bears' cottage. You could put a key on your map and even a compass so she knows which direction she is travelling.

If you can access White Rose maths, the learning is all about measurement with a video and some tasks to do. If you get stuck the answers are there too! <https://whiterosemaths.com/homelearning/year-2/>

Time is also a measurement. Make yourself a clock to practise telling the time. Remember the short hand is the hour hand and the long hand is the minute hand. Practise telling the time to o'clock, half past, quarter past and quarter to. You could also play these games to tell the time too.

https://mathsframe.co.uk/en/resources/resource/117/telling_the_time_in_words#

https://mathsframe.co.uk/en/resources/resource/116/telling_the_time#

I hope you have fun with these activities. It would be lovely to hear about what you have been doing at home. I have put a blog on the school website that you can log onto and update me.

Stay safe.

Mrs Heafield x
