

Hi Year 2

I hope you are enjoying the recipes and trying some out. On Friday, you have to write some instructions on how to make a good friend. I am sure you are all missing your friends. I am missing seeing all of you. I thought you could make some friendship people and decorate them to look like your friends. I have added a downloadable template if you need it. Have fun!

On Active Learn I have added some new maths games for you. It is lovely to see you using them. <https://www.activelearnprimary.co.uk/login?c=0>

Most mornings (as long as it's not raining!) I go for a walk. I'm hoping you also manage to get outside for a walk too. Can you draw a map so that someone could also go on your walk? Remember to add a key and a compass so that they can unlock your map.

Have fun

Mrs Heafield x
