

## Hello Year 2

I'm so excited about the English ideas this week. It's all about one of favourite characters..... Horrid Henry! There are clips from stories and video clips. Fantastic! You should enjoy these and be great at them as you've got a good background knowledge from our story writing about him. Enjoy!

I thought you might like to try and draw Horrid Henry so I have found a clip of Tony Ross, the real life illustrator, showing you how to draw him. Have fun and when we're back together I shall look forward to seeing your pictures. <https://www.youtube.com/watch?v=qn40kz2DSNs>

Keep practising your addition and subtraction. Ask your grown up to write you some more sums for you to do. We learnt lots of ways to work out different sums. Remember to use tens and ones for the larger numbers. There are some more videos on White Rose Maths.

Have a good week.

Mrs Heafield x
