

# Hi Reception!

How are all of the Greenlands Superstars today? Missing everybody, I am sure. I think I can see a great big hug flying by. Make sure you catch it!

Don't forget to practise your reading each day.

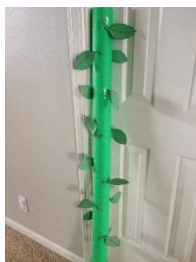

Miss Wells. X

There isn't one but three books for you to enjoy this week! The Gingerbread Man, Jack and the Beanstalk and Goldilocks and the Three Bears! I'm trying to decide which story is my favourite. Go to the 'Book of the week' tab and have fun learning lots of exciting new things.

I know that some of you have planted some seeds and even an avocado stone! I wonder how much they have grown. If we had been at school we would have been planting cress and sunflower seeds. Is it really possible to grow things from vegetable scraps! Have a go and let me know. <https://www.bbc.co.uk/cbeebies/makes/dotf-vegetable-scraps?collection=national-gardening-week>

How tall a beanstalk could you make? If you don't have any big pieces of paper, then you could fasten lots of kitchen rolls and toilet rolls together! Do you think you could make it as tall as your door? You will need lots of toilet rolls! There are some tasks linked to length on the White Rose site (Week 5) this week too. You have to draw a Superworm that is long enough to write the numbers 1 to 20 on it. <https://whiterosemaths.com/homelearning/early-years/>
