

# Hi Reception!

It is half term this week but if you want to carry on with some school work you can always log on to *Active Learn*.

<https://www.activelearnprimary.co.uk/login?c=0>

There are books to read on Phonics Bug.

There are maths games to play on abacus

Have a good half term. Hopefully the sun will shine and you will be able to play out in your garden. Be a Superstar and be good!

There will be lots of fun activities to do again next week.

Miss Wells. X
