

Hello Year 2

Welcome back to home learning. I hope you had a lovely half term.

The English activities will help you to find out even more about birds including birds of prey. One of my favourite stories is 'Owl Babies' so I thought you could create a picture of a barn owl. Here is an idea for you to create them by making handprints.

Remember to keep reading. There are lots of books for each of you on Active Learn so make the most of them. <https://www.activelearnprimary.co.uk/login?c=0>

On Active Learn, there are also lots of maths activities for you to do. Can you achieve the gold levels in the games? If you want to practise your number bonds, doubles, times tables recall, Hit the Button is good fun too. <https://www.topmarks.co.uk/maths-games/hit-the-button>

Keep learning!

Mrs Heafield x
