Hello Year 3!

I hope you are all well. Here are this week's home learning activities.

English:

I hope you enjoyed last week's activities on exploring characters from different stories. This week is all about defying gravity! Explore poems, stories and movies themed around air and flying. Find facts and delve into the history of flight:

Yoga:

There are many benefits to yoga. Yoga can improve your balance, strength, endurance, and aerobic capacity. Here are ten animal yoga poses that I'd like you to try at home. See if you can hold each pose for ten seconds or more. The more you practise, the more flexible you'll become! Good luck!

Spellings:

I hope you have been practising spelling the words that were in your home learning pack. I have listed them below and have included the Year 4 words, too. Please only move onto the year 4 words if you are secure with the Year 3 words.

Your task:

Choose a word you find tricky to spell and write it in graffiti (on a piece of paper of course!)
