Dear Parents and Carers

As we prepare for the full reopening of school in September, I wanted to inform you of some of the adaptations we have had to make to adhere to County and Government guidance.

School will reopen on Wednesday, 2nd September for all children. We are thrilled to be welcoming the children back. It is of paramount importance that guidance is adhered to at all times to ensure the safety of your children, your families and the staff and their families.

The school playground will not be open prior to the start of school as the children are not permitted to play out with other year groups. We have a timetable of zones and times throughout the school day to ensure that the children remain in their class bubble for playtimes and lunchtimes.

Breakfast club will be open from 2nd September. At the moment this is only for use for children who need to be dropped off to suit working hours for parents/ carers. If this is your child, they can be admitted through the Y6 green door as normal from 8-8.30am. If you could let the staff know which days your child will need to attend this will help with the rota. Any equipment used at breakfast club will be sanitised. Year groups will be seated separately in the hall.

Staff will be on the playgrounds at the start and the end of the school day to ensure children enter and leave through the correct gate. Parents are not allowed on the school premises without a prior appointment. There will be a separate letter sent for our new reception starters to ensure a smooth transition into school.

Please see the table below for entrances, exits and start times for your children. We have tried to keep this as close together as possible to prevent waiting around for siblings. Please be patient and please remember punctuality is paramount to ensure the safety of everyone in school.

Please ensure contact numbers are up to date should we need to contact you at any time throughout the school day.

I will be at the front of school at the start and end of each day. Please bear with us as we try to get the children in as quickly and safely as possible. As before the holidays, unless waiting for other children, please clear the front of school as quickly as possible. If you have any queries please contact school or message via Facebook.
