Thank you for your support, as we have had to implement changes to our breakfast club. We can only continue to offer this service to parents who need it in order to go to work early. The children are kept in class mat bubble following the risk assessment.

Coronavirus advice:

The school risk assessment is available to view in the newsletter section of the website. There is also a quick guide of what to do if your child feels unwell.

Respect:

Our value for this half term is respect. All the children have been busy creating class rules.

As, like many places, we are trying to go cashless in the office, please contact school if you need help setting up your parent pay account.
