

## Love of Reading

At Greenlands Community Primary School we are passionate about developing your child's love of reading we will be sending home story books for you to share together. The book will be one that your child has chosen for you to read to them from our class reading area. They might even choose the same story again and again! Your child will be able to choose a new book to bring home on a Monday and Thursday.

As you share the book together:

- Look at and talk about the pictures.
- Ask questions about the story.
- Talk about what might happen next.

After you have read the book, talk about the characters and what you both liked about the story.

You could also go visit our Local Ribbleson library and choose some more books to read with your child!
