

Y5 Curriculum Map is available on the website

Homework

- Read every night for 15 minutes
- Practice your times tables
- Complete the homework tasks
- Practice your spellings

Additional homework tasks

- On a clear night, look at the sky. Can you find the Northern Star, Venus, the Moon or any other objects in space?
- Research the rainforest—what types of animals live in the 4 layers of the rainforest?
- Look for examples of growth as we head towards Spring. What bulbs are growing in your garden?
- How many oceans and seas can you name? Can you locate them on a map?
- What do the different coloured flags mean that are found at beaches?

What do I bring to school?

Day	
Monday	Reading book
Tuesday	Reading book
Wednesday	Reading book Completed homework
Thursday	Reading book Homework to go home PE kit
Friday	Reading book
