## Curriculum News

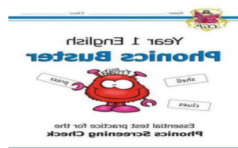

This term we are going to be looking at seaside holidays in the past in our new History topic. We are going to be growing our own plants and vegetables in Science and in DT using them to make our own salads. We are very grateful for the donations of the seeds from Duxburys home and garden. Please see the curriculum map for more details.

## Homework

We will continue to have activities on Class Dojo every week and also some weekly phonic tasks using our Phonic Buster book.

There may also be activities for you to do at home in preparation for the Phonic screening test.

## Reminders

Please make sure that book bags are in school everyday. Reading books will be changed each Monday linked to phonic phases and also a book your child has chosen from the library.
