

Greenlands Reception

Happy New Year!

The children have quickly settled back into school after the Christmas holidays. They are all enjoying being with their friends again and as always, keen to explore and learn together.

Homework

On Friday's we will be putting on Class Dojo a little task for you to do with your child at home. This will be linked to something we have been learning about in class and will not take too long to complete. If you need help accessing the homework on Class Dojo then please ask.

Thank you for sharing your child's library book and reading book with them each week. Your support is very much appreciated. I hope you found the phonics workshop and the resources we sent home useful.

Celebrating Learning at home

Class Dojo is also the place where you can post any fantastic learning experiences your child has at home. The children always enjoy sharing their photos and little videos of themselves at home.

Learning is fun!

This term our overarching theme is, 'We all want to be a Superhero!' We will be learning about the amazing work of real-life superheroes including doctors, nurses and carers and how they use their incredible superpowers to help people and make the world a better place. We will also have fun creating our own superhero based on the character 'Supertato'.

In phonics, we will be continuing with Phase Two. Then we will be moving on to Phase Three, which involves learning about phonemes and graphemes made from two letters such as ch, sh and ai.

How you can help

Regularly check Class Dojo and Parent App for messages.

Books are changed on **Mondays** and **Thursdays** so school bags need to be in school on these days. Bags can be brought on the other days but books will not be changed.

Please keep practising blending to read and segmenting to spell with your child using the phonics materials we have already sent home.

Make sure your child has a **named**, warm coat, hat and gloves to wear when they play outside.

Miss Wells
