Y6 Headstart:

PNE are running a six week Headstart programme in school time with the Y6 pupils to help them address any concerns and worries about transition to high school.

PGL:

We have a few remaining places on the Y5/6 residential in June. Please contact the school office if you haven't already booked on and you would like your child to attend.

Holocaust Memorial Day:

We commemorated this annual event in assembly last week. The children did you proud in their responses to learning about the events of mass genocide during World War 2.

Y5 Swimming Lessons:

Well done to all the swimmers so far. They are doing amazingly well-we have some real water babies! The children have a two week block now and a further two week block in the summer term. Where possible, try to ensure your child doesn't miss any school during this time. Research shows that muscle memory works better in blocks and so this is why it is blocked rather than across the year. Children are expected to be able to swim at least 25 metres at the end of primary school to meet the requirements of the National Curriculum.

Holiday Club:

Holiday club will be running over February Half Term. (12th-16th Feb) The children thoroughly enjoy the week-as do the coaches. Please sign up on Parent App if you would like your child to attend. Please contact the office with any queries regarding this.

Birthdays:

Wishing the happiest of birthday's to our children who have celebrated their birthday's this week!:

Betsy – Y3

Natalie – Y6
