#### World Book Day:

Is on 7<sup>th</sup> March. The children are invited to dress up as their favourite book character. We are having an author visit this Friday to help our reading celebrations. Information has been sent by Mrs Lonsdale as the author is selling signed copies of her books on the day.

## School Hours:

As you may have heard in the news, the government are recommending that all primary schools operate the same hours. 32.5 hours will mean an extra 15 minutes added to the school day from September. Whilst it is only a recommendation, governors are considering lengthening the school day slightly from 8.55-3.10. We are looking at one of the following:

8.50-3.20, 8.45-3.15 or 8.55-3.25

If you have a preference or this affects pick ups from high school please let us know your preferred option. We will send more information in the summer term. Breakfast club will still be available as normal every morning.

## Sponsored Skip for Cancer Research:

Staff at Greenlands have decided to support cancer research in more than one way this year. We will be running the Race for Life in June as we did last year, but we will also be completing the 100 Skips a Day Challenge that will take place across the month of March. We are hoping to get the children and parents involved with this and a Just Giving page will be posted to the schools Facebook Page. More information to follow next week. If you want to join us in our mission they are issuing free skipping ropes to all who sign up.

## Y2 Team Theme After School Club:

This half term it is Team Theme After School Club for Year 2. The consent form is live on Parentapp. If you would like your child to attend, please fill out the consent form.

## Life Education Bus:

The Life Education visit is booked in for Monday and Tuesday. All the children are timetabled a session to learn about emotional and physical well being.

## Birthdays:

Birthdays will be celebrated in Monday morning's assembly next week. Wishing the happiest of
