## Value of the half term:

### **Resilience**

#### World Book Day:

Is on 7<sup>th</sup> March. The children are invited to dress up as their favourite book character. There are lots of great ideas on line that don't require a bought costume. I know how creative you all are and can't wait for the morning procession. Please stay and have a look as we parade the children's costumes first thing. (Weather permitting!)

#### Dance Competition:

Miss Langan and her dance troupe had an amazing time at Fulwood Academy on Wednesday. They made us all very proud and enjoyed every minute. A big thanks to Miss Langan for teaching them all their moves. Well done everyone. We are hoping they will give us a performance in assembly next week.

#### Sponsored Skip for Cancer Research:

Staff at Greenlands have decided to support cancer research in more than one way this year. We will be running the Race for Life in June as we did last year, but we will also be completing the 100 Skips a Day Challenge that will take place across the month of March. We are hoping to get the children and parents involved with this and a Just Giving page will be posted to the schools Facebook Page.

#### Life Education Bus:

The Life Education leader was very impressed with all the children and how they responded to questioning about emotional well being.

#### Birthdays:

Birthdays will be celebrated in Monday morning's assembly next week. Wishing the happiest of birthday's to our children who have celebrated their birthday's this week:

#### Comic Relief:

The children will be allowed to come in their own clothes on the 15<sup>th</sup> March for Red Nose Day. There is a link on our school Facebook for any donations to this fabulous charity.
