

Greenlands' Macmillan Coffee Morning Competition!

We're excited to let you know that Year 4 and our School Council will be hosting this year's Macmillan Coffee Morning on Friday 26th September at 9:00am here at school!

We'd love for you to join us for a cuppa, a slice of cake, and a lovely catch-up - all while raising money for such an important cause. Any cake or bake donations would be hugely appreciated to help make the morning a success!

But wait...there's something new this year!

We're holding a Best Decorated Bake Competition - with a fantastic prize for the winner! Whether it's colourful, creative, or completely unique, bring along your showstopper bake and wow the judges. Who will be crowned our star baker?

Please note, this will be a cashless donation event. QR codes will be available on the day, and we'll also share the donation link on Facebook for your convenience.

We can't wait to see your brilliant bakes and to enjoy a morning filled with coffee, cake, and community.
