Dates for your diary:

Monday 2nd February – National Story-telling Week

Thursday 5th February – Girls Football @ UClan

Tuesday 10th February – Safer Internet Day

Friday 13th February – Break up 3:20pm

Monday 23rd February – return to school for 8:50pm prompt

Monday 9th March – Parents Meetings

Playground

We are still waiting for a dry day to put the final touches to the KS1 playground. It is now partially open for the children to play on. Play Sound have done an amazing job. We will inform you when work is due to start on the KS2 playground and the MUGA area. Exciting times.

Internet Safety Day

Internet Safety day is Tuesday 10th Feb. We'll be doing an assembly about this in school. Whilst we do what we can in schooltime, it's a parent's responsibility to monitor what their child is accessing/doing on the internet. We have had incidents of unpermitted photo sharing involving other children, which is a safeguarding issue and is extremely serious. Please note the majority of social media is age 13+.

Netball Club:

Mrs Evans will be running a Y5/Y6 Netball club every Thursday from Thursday 26th February – Thursday 26th March. This will run from 3:20pm-4:15pm. There is a maximum of 10 places in this club and children must attend consistently for the full 5 weeks. Consent forms will be sent out towards the end of term.

Play Leaders

Some of the play leaders for KS1 have changed this term. Sadly, some of the children no longer wanted to commit to supporting the younger children. If your child has remained or been added as a play leader, please thank them for their commitment. Some of them are definitely teachers of the future and the way they interact and guide the younger ones is lovely to observe. I know they will have hours of fun exploring the new play ground.

National Storytelling Week:

Please celebrate this week by sharing a story with your child:

‘Several studies show that young people who develop the habit of reading in early childhood are likely to achieve high qualifications and upward social mobility later on. Together with the well-documented developmental benefits of reading, these findings point to reading as a powerful lever for reducing inequalities.’

Greenlands Got Talent

What an amazing time we had watching Greenlands Got Talent this morning. We had singers, dancers and musicians. Miss Ainsworth had had the trickiest job choosing the finalists. Mrs Cornwell, Mrs Hatch and Mrs Lonsdale had the hardest task of their life choosing the top three from the final acts. All six were tremendous. Kendall and Aliyah were in third place, Jaxon with his amazing dance moves in second and in first place, Anup entertained us playing two pieces of music on the keyboard. Well done to Miss Ainsworth and the host, it was a fabulous morning. All the acts were deserving winners.
