Bike locks

As we are sure you're aware, a child's bike was stolen during school hours off school property earlier this week. We are asking children who bring bikes/scooters to school to please be vigilant and lock them up on their arrival to school. Can parents please ensure that the green gate is being locked behind them when entering and leaving the school grounds. Thank you for your co-operation.

Rock Kidz

We want to say a huge thank you to Rock Kidz for the incredible experience they provided our children with today! The children had an absolute ball and couldn't speak highly enough of staff and the overall experience. The message behind the company was fantastic, encouraging the children to never give up on their dreams and to keep on going! Rock Kidz Merchandise will be on sale after school on the playground (weather dependant).

Breakfast Club

Just a reminder we have a universal free breakfast club with free breakfast available every day. Breakfast club is becoming much busier as word is getting around that we have such a great time. On that note, please remind your children that the school rules still apply in breakfast club, and it's important to remember we have children ages 4-11 in the club so to be mindful of younger children. We wanted to ensure all of our children in breakfast club have a fun, calm and relaxed start to their day.
