Breakfast Club

Just a reminder we have a universal free breakfast club with free breakfast available every day. Breakfast club is becoming much busier as word is getting around that we have such a great time. On that note, please remind your children that the school rules still apply in breakfast club, and it's important to remember we have children ages 4-11 in the club so to be mindful of younger children. We wanted to ensure all of our children in breakfast club have a fun, calm and relaxed start to their day.
