Winning Team		

PE Timetable Autumn 1

Monday – Y6 PM

Tuesday – Y1/Y2 PM Y3 PM

Wednesday – Y3 AM Y6 AM Y1 PM Y2 PM

Thursday – Y4 AM Y2 AM Y3 AM Y5 PM Y6 PM

Friday – Y4 PM Rec PM

Mobile Phones in School:

If your child brings a mobile phone to school, it must be handed into the school office as soon as they arrive. Phones will be stored securely during the school day and returned to pupils at the end of the day. This helps us to safeguard all children and ensures that mobile devices do not distract from learning or social interactions. Thank you for your

Dates for your diary:

Friday 18th September – Class Photographs

Friday 25th September – Macmillan Coffee Morning

Tuesday 29th September – Y3 Recycling Workshop

Friday 2nd October – Flu Vaccinations

Tuesday 6th October – Y4 Recycling Workshop

Social Media:

Last school year we became aware that a number of children are becoming involved in disagreements and friendship issues through social media, particularly on Snapchat. Whilst these incidents often take place outside of school hours, the impact can be brought into school and can affect children's wellbeing, friendships, learning and behaviour.

We would like to remind parents and carers that many social media platforms, including Snapchat, have a minimum age requirement of 13 years old. Primary-aged children are therefore generally too young to be using these platforms. It is the responsibility of parents and carers to monitor and supervise what their children are accessing online, who they are communicating with, and how they are using digital devices.

We strongly encourage all parents to:

- Regularly check their child's online activity and social media accounts.
- Be aware of who their child is communicating with online.
- Discuss online safety, respect and appropriate behaviour with their child.

support in helping us maintain a safe and focused school environment.	• Ensure privacy settings are in place and that age restrictions are followed. • Report any concerns directly to the relevant platform and, where appropriate, to the school. As a school, we will continue to educate pupils about online safety and responsible digital behaviour through our curriculum. However, we rely on the support of parents and carers to reinforce these messages at home and to ensure that children are accessing age-appropriate content. Thank you for your support in helping us keep all children safe and happy both in school and online.
<u>Benedicts Law:</u> Keeping children safe is always our highest priority. We are currently reviewing our procedures in line with Benedict's Law, new guidance that strengthens allergy safety in schools. This guidance helps ensure that children with allergies are supported through clear policies, staff training, emergency response procedures and individual healthcare plans where needed. Parents and carers can help by ensuring that school is fully informed of any allergies their child has and providing up-to-date medical evidence to support this. Including medication where required, and notifying us promptly of any changes to their child's condition. We will be sharing our updated Allergy Policy in the coming weeks and look forward to continuing to work together to keep all children safe, healthy and fully included in school life.	<u>Individual & family Photographs</u> On Friday 18th September, the children will have individual and family photographs. From 8:30am-8:45am any families with pre-school children are able to come and have a photograph.
<u>Macmillan Coffee Morning and Cake Competition</u> On Friday 25th September, we will be hosting our annual Macmillan Coffee Morning. This will be run and organised by Miss Ainsworth & Year 4. Parents are invited to join us from 9:00am for cake, tea and coffee in the hall, all in aid of a wonderful cause! To add an extra dash of excitement to this event, we will be hosting a cake decorating competition where the winner will win a prize! We had so many fantastic entries last year, it was almost impossible to choose just one winner! Please see our winner and a few examples from last year below!
